

# ORN Orbus Referral Net Privacy Statement

Your privacy is extremely important to us. The purposes of Orbus programs are to provide business networking platforms to help small business owners and service professionals generate more sales. Orbus members provide profiles and will have user-generated data. In order to fulfill our purposes and provide members with outstanding service, we leverage the information our members share. Member information is collected and organized in order to, and not limited to; connecting members, locating members, and presenting new business opportunities to our members and their contacts.

1. All information you provide will be stored safely and is the property of Orbus International Business Networks Inc. Members have control of their individual preferences to customize which information is made public and which is private. Use your best discretion if sharing information and when in doubt, do not share information you deem too confidential or sensitive to be viewed by the public.
2. We will use all industry protocols and technology to keep any sensitive information you provide.
3. By becoming a member of Orbus and or by agreeing to exchange referrals with members, we may email you announcements and promotional information. If you wish to opt-out of receiving promotional emails, simply click the opt-out message on any emails you receive from Orbus and set your own email preferences accordingly.
4. With our consent, all the personal and business information you provide to Orbus or to its website and you choose to be displayed may be viewable by members, the general public, and third party organizations with commercial interests.
5. Like many websites, we use cookies and similar software to collect data about users to track their movements around the website and in order to help users to automatically and seamlessly sign in on subsequent visits to the site.
